1. The undersigned grants to Licensees the rights to use, display, publish, and communicate the Materials (or part thereof) for the Purpose stated above. Such rights are worldwide, royalty-free and without a requirement for approval. The undersigned represents and warrants that any Materials provided are original to the undersigned individual and/or Company, and/or that undersigned has full authority from the owner of the Materials and Company to sign this Release. The respective Licensees shall be the exclusive owner of any and all rights, title, and interest in and to any materials created by or on behalf of the respective Licensees in any form containing the Materials (or part thereof). The undersigned retains whatever preexisting rights it has in the Materials themselves.
2. The undersigned indemnifies Licensees against any claims or actions brought by third parties, including damages, losses, expenses, including reasonable legal fees, in connection with the Materials and any breach of this Release.
3. The undersigned releases, waives, and discharges Licensees from any and all demands or claims that the undersigned has or may have, whether known or unknown, arising out of or in connection with Licensees' use of the Materials.
